Betreff: Danke für Ihre Hilfe

Dear Mrs. Schmoll,

Thank you very much for your help with the translation of the sales contracts, the entry of the land register and the powers of attorney. All documents have been accepted without objection by the Spanish authorities, official channels in Spain were – given the circumstances - unproblematic – if Spanish authorities can be described like this at all. Furthermore, I want to thank you for your quick and uncomplicated help on the phone as well as for the fact that you have always been available for me, even far beyond office hours. If this business reaches its final stage soon and a buyer of the property is found I will gladly employ your help again.

Best regards and all the best to you.
